

NEW MEMBER SPECIAL – join today!

We are running a **new member special until Sept. 1**. Join the PNW Canola Association by Sept. 1 and your membership will be good until Jan. 31, 2022! Grower memberships are \$75 and also include membership in the U.S. Canola Association. Industry memberships range from \$500-\$5,000, and agency at \$500.

Why join? Membership supports everything we do including:

- **Field tours**
- **Workshops**
- **Our website (www.pnwcanola.org)** that is packed with information to help you produce a better canola crop, get started with your first canola crop, find out where canola is grown in the PNW and U.S. and a whole lot more.
- **Readily available communication** by phone, email, or text to answer or find answers to any canola-related questions you have
- **An amazing producer and industry board of directors** with canola grower representation from all over the PNW (<https://pnwcanola.org/about/board-of-directors/>), and industry reps from the four PNW states, IL, ND, and KY.
- **Working with agencies** like RMA to improve canola insurance policies
- **Collaborating with industry and university** to get herbicides and plant growth regulators labeled for use in canola in the PNW
- **A voice representing you at the local, regional, and national** levels when it comes to legislative and policy matters like the Farm Bill, CFAP, WHIP+, biotech regulations, etc.
- **And more!**

Please fill in the membership form and mail with a check to the address on the form, or if you prefer to pay with a credit card email pnwcanola@gmail.com or call Karen at 808-283-7013. Note there is an additional 3% processing fee for credit card transactions.

Feel free to contact us if you have any questions. ***Have a safe and successful harvest!***
